

The U.S. Probation Office for the Northern District of Illinois (NDIL) is currently soliciting treatment providers for fiscal year 2026, beginning October 1, 2025. **We are looking for providers of substance abuse, mental health, sex offender treatment services and polygraph services.** These services will be procured using Blanket Purchase Agreements.

A pre-solicitation vendor conference will be held virtually from 10am to 12pm on May 29, 2025, outlining information contained in the Statement of Work pertaining to solicited services. The WebEx link for the conference: [Pre-solicitation Treatment Conference registration - Federal Judicial Center WebEx Enterprise Site](#)

For those unable to attend, the Power Point presentation, along with the Statement of Work, will be made available on the Treatment Services website located at: [Treatment Vendors](#)

Those interested in being added to the mailing list to receive a Request For Proposal (RFP), should email the NDIL treatment services solicitation email address ILNPml_TVS@ilnp.uscourts.gov . RFPs will be made available to prospective vendors on or about June 3, 2025, and are to be returned no later than June 30, 2025, by 4:30 p.m. Late submissions **will not** be accepted.

If the information you need is not found on the website, please email the NDIL treatment services solicitation email address ILNPml_TVS@ilnp.uscourts.gov.
