CAP

CAP works with families and individuals on budgeting and debt advice for their future financial health and security. In this **20-minute session**, CAP will identify areas of concerns and growth, while figuring out a plan forward. Each family will go home with a restorative plan of action, identifying service supporters in the community that can assist them with their financial recovery.

Sign up by calling Director of Support Services  
Kristin Jachymiak at **(630)948.8136** or
