## "Registered Behavior Technician Program"

RBTs work one-on-one with children in home, school and clinical settings to help build social, communication and problem-solving skills.

**Date:** Tuesday, October 18th

**Time:** 10:00 am

**Location:** Goodwill Workforce Connection Center  
351 E. Roosevelt Road, Lombard

**Please register by calling 630-576-4660 or email, [amacdonald@goodwillchicago.com](mailto:amacdonald@goodwillchicago.com)**

Come and learn

- A 6-month program duration with 6 weeks of RBT training preparation
- A 12-week PAID working practicum
- A 6-week undergraduate course in a related field.
- Successful completion earns learners 25 transferable college credits.
- Fully Pell Grant eligible
- Led by experienced Board Certified Behavior Analysts, the program is primarily delivered online, providing flexibility for learners.
- Applicants must have a high school diploma or equivalent.
- Each Accelerate U learner is paired with a dedicated career coach for personalized support.
- The training portion is fully online, allowing learners to balance their studies with other commitments.

**To register for this event or for more information, call 630.576-4660.**
