

Winning Job Opportunities

A Guide for Returning Citizens in Illinois – 2021

Introduction

The Illinois Department of Employment Security has helped hundreds of returning citizens to find jobs, and we want to help you. Having a prison record may make it harder for you to get certain jobs, but there are many employers looking for workers with a good attitude and a willingness to work hard.

This publication describes some of the best jobs in Illinois for each education level. The jobs listed here provide both the most openings each year and the most opportunities for the returning citizen. Take a look at the list for your education level to see which jobs seem best for you. Then, take a look at the jobs at higher education levels to plan your future. The more education and training you obtain, the more job opportunities you will have and the more money you will be able to earn.

The Illinois Department of Employment Security offers specialized services to job seekers and employers through its Re-entry Employment Service Program (RESP). RESP prepares returning citizens for work, develops jobs for them, and helps them transition into their new jobs.

Re-entry Liaisons are available at IDES offices throughout Illinois to help match employers with qualified returning citizen job seekers.

To find the RESP Liaison nearest you, please call 312-793-1597 or look online at <http://www.ides.illinois.gov/RESP>.

For more information about careers, visit the Illinois Career Information System (CIS) website at <http://www.ides.illinois.gov/careerinfo>.

CIS provides a wealth of resources to help you plan your career. Features include comprehensive information on occupations, education, and region-specific data, including wage information, annual job openings, and projected employment. For any questions, please call our toll-free number at: 877-566-6230 or e-mail us at des.cis@illinois.gov.

Best wishes in your job search!
