Pre-Apprenticeship Program

Jump Start Your Career with FREE Healthcare Career Training at Elgin Community College

Gain job-ready skills and certifications to prepare for a career in healthcare.

Successful individuals will have the opportunity to interview with an employer for an apprenticeship or entry-level job or enroll in a healthcare program of study at ECC.

Training Sessions:

May 6 to 10
8 am to 4:30 pm

Resume Workshop and Interviews:

May 13 & 14

Upon successful completion, participants will:

- Be able to identify jobs, terminology, and tools used in healthcare
- Earn their American Heart Association First Aid, BLS CPR, and Bloodborne Pathogens certifications
- Create an industry-specific resume and cover letter to prepare for interview

Spots are limited - Interested individuals must attend an information session to qualify. Register for the next information session at bit.ly/ECCPreApprenticeHealth or scan the QR Code.

Information Sessions run
weekly throughout April!
