

Employment Search Log for the Week of _____ 20__

The conditions of supervision require you to work regularly at a lawful occupation unless excused by the probation officer. Since you currently do not hold approved employment and have not been excused from working, you are required to make a diligent effort to find a job. Specifically, you are directed to contact at least three employment leads each work day (M-F). Document your efforts by completing this form. Return the completed form to your probation officer by _____.
