

RFP FY26 Q&A

6/5/25

Q: For a site where I may not yet have a designated staff member for the program, what do you recommend putting on the RFP under staff qualifications?

A: The probation office cannot provide a recommendation concerning RFP submissions. In this case, the staff member responsible for the delivery of the service must meet all requirements of the roles as indicated in the Statement of Work.

6/16/25

Q: The question asked if the staff credentials from Fiscal Year 23 is different from Fiscal Year 26.

A: The FY26 Statement of Work is the current document outlining the requirements for vendors.

Q: The question asked what being a reference entails for the reference list that has to be submitted.

A: Please refer to the Statement of Work for a detailed description of what an offeror's reference entails.

Q: For Block 10: Acknowledgement of Amendments- are you looking for us to enter an amendment number in there and date it? If so, what would that be?

A: No amendments have been posted, therefore there is nothing to acknowledge in box 10
